ECONEETS@WORK

Eco-NEETs@Work aims at confronting unemployment among young NEETs especially from rural and digitally excluded areas.

Target Groups

- Young NEETs aged 18-24
- Employers
- Young job seekers
- Youth Centers, NGOs and training institutions,
- Environmental organizations

Projects' Results

- A full training pack to facilitate the development of skills & competences required in eco-business.
- A set of virtual tools to act as a continuous education opportunity.
- An online mentorship dedicated space to provide infrastructure & support

Needs Analysis & Validation

We are conducting surveys on youth's involvement ecopreneurial practices. The results will be the foundation for the training methodology and materials
